PATIENT CONTRACT FOR MYOCARDIAL PERFUSION IMAGIN TEST

You have been scheduled for a Myocardial Perfusion Image Test (exercise stress test) to evaluate your condition. This test will be performed at:

200 Jose Figueres Ave., Ste 365

San Jose, CA 95116

408-770-3102

Your appointment will take approximately 2-4 hours

Instructions:

DO NOT:

Do not eat 3 hours prior to the test. You may drink water and/or juice, but NO COFFEE/TEA OR CAFFEINE INCLUDING CHOCOLATE 24 hours before the test. Do not apply lotion or baby oil on the morning of the test. NO PREGNANT OR BREAST-FEEDING WOMEN AND NO CHILDRENS ON THE DAY OF THE TEST.

PLEASE DO:

Wear loose/comfortable clothing, wear walking shoes or tennis.

If you are taking medication please bring it with you

If you are diabetic make sure you eat small snack 3 hours before the exam

Bring small snack with you to eat, since the whole process will take 2-4 hours.

If you need to cancel this test, please call our office 24 hour prior to your appointment, since there will be a \$200.00 charge if there is a no show. This is to offset the cost of reagents pre-ordered in your name.
